

Golden Calligraphy

Golden Calligraphy is a multi-media exhibition showing calligraphy and lettering art. Pieces on show incorporate colour, gold and other metallic effects. The work has been produced by Mercian Scribes, a group of calligraphers based in Staffordshire. Also featured will be work by Peter Halliday HFCLAS and pieces completed by students of the Gilding and Traditional Skills Course which is offered by CLAS.

The exhibition is to be held at Wirksworth Library and will follow straight after the first week of the Wirksworth Festival. This is the second time Mercian Scribes have exhibited at Wirksworth. After the success of last years' exhibition, it was a pleasure to be asked to return with another exhibition.

The exhibition runs from Thursday 16th September to Thursday 30th September, admission is free.

Wirksworth Library, Town Hall, Wirksworth,
Matlock, Derbyshire DE 4 4EU.
